

BeReal Trivia: Questions, Answers, and Facts

Printable Trivia Pack

BeReal trivia highlights the story behind the French social-networking app released in 2020 by Alexis Barreyat and Kévin Perreau. Known for prompting users to share an unfiltered photo at the same moment each day, BeReal quickly stood out in a crowded social-media landscape. The platform is currently owned by Voodoo.

HARD BEREAL TRIVIA

1. Before it became associated with a U.S. social-media breakout, in which country was BeReal developed?

Answer: France

2. Which company had Alexis Barreyat worked at before co-creating BeReal?

Answer: GoPro

3. In what year did Voodoo announce its acquisition of BeReal?

Answer: 2024

4. Before being owned by Voodoo, BeReal was what kind of business entity?

Answer: An independent startup

5. What early U.S. growth tactic did BeReal use rather than relying only on broad national marketing?

Answer: Campus-focused promotion

6. Which investor was reported as backing BeReal before the Voodoo deal: Andreessen Horowitz or Sequoia?

Answer: Andreessen Horowitz

7. Name another reported backer of BeReal besides Andreessen Horowitz.?

Answer: Accel

8. Around what figure was BeReal's acquisition price widely reported?

Answer: Around \$500 million

9. Before its breakout in the United States, which region had the stronger original growth for BeReal?

Answer: Europe

10. What specific product rhythm most clearly set BeReal apart from rivals built around endless feeds?

Answer: Its once-a-day mechanic

11. BeReal became especially notable in the early 2020s as a social app associated with which generation?

Answer: Gen Z

12. In BeReal's core format, what mattered more than heavy editing?

Answer: Simultaneity

13. BeReal's late-post labeling turned what behavior into a visible social signal?

Answer: Punctuality

14. What event in BeReal's daily prompt system changes how a post is displayed?

Answer: Missing the notification

FUNNY BEREAL TRIVIA

1. What awkward double-feature can a BeReal accidentally preserve in one post?

Answer: Both a messy room and the surprised face looking at it.

2. Because both cameras fire together, what classic unflattering look can BeReal catch?

Answer: A user mid-blink.

3. BeReal's two-minute timer makes posting feel less like a photo shoot and more like what?

Answer: A mini race.

4. If someone posts late on BeReal, what does that publicly signal?

Answer: That they missed the original moment.

5. What visible clue can spoil the illusion that a BeReal was effortlessly casual on the first try?

Answer: The retake counts.

6. On BeReal, RealMojis turn your own expressions into what?

Answer: Reaction stickers.

7. BeReal's format is built to show what two perspectives at once?

Answer: What is in front of the camera and behind it at the same time.

8. What famously ordinary item became the kind of mundane scene BeReal made social-content famous?

Answer: Lunch trays.

9. Why do BeReal posts often come off as less staged than many other social photos?

Answer: Because there is little time to set them up.

10. In a typical BeReal layout, which part can be much smaller than the main rear-camera scene?

Answer: The front-camera selfie.

11. BeReal helped make what kind of moments socially shareable specifically because they were so unremarkable?

Answer: Boring moments.

12. BeReal's setup can expose someone who retook a picture in order to do what?

Answer: Look more casual.

13. Why is a BeReal reaction more personal than a plain thumbs-up?

Answer: Because it uses a selfie.

FUN BEREAL TRIVIA

1. In what year did BeReal suddenly go from niche app to major social-media conversation piece?

Answer: 2022

2. Where in the United States did BeReal become especially widely talked about during 2022?

Answer: U.S. college campuses
