

Burning Trivia: Questions, Answers, and Facts

Printable Trivia Pack

Burning trivia begins with Xu Zhilei, better known as BurNing, a Chinese professional gamer who competed at the highest levels of both Defense of the Ancients and Dota 2. His long career and reputation for elite carry play made him one of the most respected figures in Dota history, giving fans plenty of memorable moments and lesser-known details to explore.

HARD BURNING TRIVIA

1. Before lifting The International 2012, Burning had already built his reputation in which earlier competitive game scene?

Answer: Warcraft III DotA

2. At TI2, Burning's title-winning team represented China; the runner-up Natus Vincere represented what region?

Answer: The CIS region

3. Name the two Team DK stars in Burning's celebrated lineup who were from outside mainland China.?

Answer: Mushi and iceiceice

4. What label is often applied to Burning's Team DK roster because of how stacked it was for its time?

Answer: One of the earliest true Dota 2 superteams

5. Burning's resume stretches from pre-Valve competition into what later competitive era?

Answer: Valve-era Dota 2 championships

6. What achievement makes Burning unusual among famous carries when paired with his original DotA legacy?

Answer: A world title in Dota 2

7. In the era Burning played through, organizations such as iG, DK, VG, and Newbee frequently moved stars around. Which other Chinese organization is explicitly included in that list?

Answer: LGD

8. If you described Burning's pro toolkit in economic terms, it centered on what rather than support utility?

Answer: Position-one economics

9. Later in his career, Burning moved away from pure star-player status toward what kind of contribution in the Chinese scene?

Answer: Mentorship and coaching

10. When fans debate the best carries across multiple eras, Burning is cited for greatness in which two games rather than just one?

Answer: DotA and Dota 2

11. Because of both peak results and longevity, Burning is treated as a benchmark name in the history of what broader field?

Answer: Chinese esports history

12. Burning's name often comes up in debates contrasting modern carry play with which classic Chinese strategic template?

Answer: Four-protect-one

13. True or false: Burning first became elite only after Dota 2 launched, with no major reputation in the Warcraft III DotA era.?

Answer: False

14. Playful one: in Team DK's star buffet, which two imports were the non-mainland ingredients next to Burning?

Answer: Mushi and iceiceice
