

Disaster Films Trivia: Questions, Answers, and Facts Printable Trivia Pack

Disaster Films trivia explores the movies that made earthquakes, infernos, shipwrecks, and meteor strikes a defining part of popular entertainment. The genre surged in the 1970s with ensemble blockbusters like *The Poseidon Adventure* and *The Towering Inferno*, then evolved through modern effects-driven hits about climate, contagion, and global collapse. This page offers a family-friendly mix of easy, funny, and challenging questions for casual movie fans and genre devotees alike.
