

Heated Rivalry Trivia: Questions, Answers, and Facts Printable Trivia Pack

Heated Rivalry trivia explores Rachel Reid's 2019 sports romance novel, which follows NHL stars Shane Hollander and Ilya Rozanov as a long-running rivalry turns into a secret relationship. Popular with romance readers for its emotional depth, humor, and on-ice tension, the book has become one of the standout titles in contemporary MM hockey romance.

HARD HEATED RIVALRY TRIVIA

1. What year marks the publication of the first Game Changers novel, setting the series timeline in motion?

Answer: 2018.

2. Which later book returns to Shane and Ilya after the events of Heated Rivalry rather than introducing an unrelated central pair?

Answer: The Long Game.

3. Within the wider Game Changers continuity, what is true of Shane Hollander and Ilya Rozanov beyond a single-book appearance?

Answer: They are recurring characters in the wider Game Changers continuity.

4. Shane's team name carries a cultural echo of Montreal's French-speaking identity. What is that team name?

Answer: Voyageurs.

5. Ilya skates for a team whose mascot matches a real-life Boston AHL affiliate. Which mascot is it?

Answer: Bears.

6. Rather than organizing itself around one uninterrupted stretch of romance, the novel repeatedly brings the leads together at predictable points in what cycle?

Answer: The hockey calendar.

7. A core obstacle in the story comes from the scarcity of what in top-level pro hockey?

Answer: Openly gay active male stars.

8. Over the span of the book, the central relationship develops past which earlier phase?

Answer: Its original hookup stage.

9. On bookstore shelves, Heated Rivalry is more commonly filed under which romance category?

Answer: Contemporary romance.

10. What's the best description of how the Game Changers books relate to one another for readers deciding where to start?

Answer: They are connected but can be read as standalones.
