

## James Bond Trivia: Questions, Answers, and Facts Printable Trivia Pack

James Bond trivia explores the enduring appeal of 007, the fictional British Secret Service agent introduced by Ian Fleming in 1953. Fleming wrote twelve Bond novels and two short-story collections, and after his death in 1964, a range of authorised authors continued the character's literary adventures. From classic canon to pop-culture legacy, Bond remains one of the most recognisable characters in modern fiction.
