

Return of the Obra Dinn Trivia: Questions, Answers, and Facts Printable Trivia Pack

Return of the Obra Dinn trivia explores the 2018 adventure and puzzle game created by Lucas Pope and published by 3909 LLC. Released first for macOS and Windows, the game followed Pope's Papers, Please and later arrived on Nintendo Switch, PlayStation 4, and Xbox One, earning a reputation for its inventive deduction-driven design.

HARD RETURN OF THE OBRA DINN TRIVIA

1. In the opening voyage summary, how much trade cargo is the Obra Dinn said to be carrying?

Answer: 200 tons of trade goods

2. According to the initial report, how many souls were aboard the Obra Dinn?

Answer: 60 souls

3. Before the mystery is investigated, what official status had already been assigned to the Obra Dinn?

Answer: It was declared lost at sea.

4. What specific type of vessel is the Obra Dinn identified as in the setup text?

Answer: East Indiaman

5. What is the player-character actually sent to prepare regarding the voyage?

Answer: An insurance assessment

6. The bargain route described for the Obra Dinn ran between which two places?

Answer: London to the Orient

7. On what date did Return of the Obra Dinn officially release on PC?

Answer: October 18, 2018

8. A year after PC, the Switch, PS4, and Xbox One versions all landed in what year?

Answer: 2019

9. If you were waiting specifically for the console launch day, what exact date did those versions arrive?

Answer: October 18, 2019

10. At the BAFTAs, which craft category recognized Return of the Obra Dinn for its visual artistry?

Answer: Artistic Achievement

11. Which BAFTA category honored Return of the Obra Dinn for its underlying design work?

Answer: Game Design

12. Which BAFTA category did the game win for its storytelling?

Answer: Narrative

13. At the Independent Games Festival, what was the top Seumas McNally honor that Return of the Obra Dinn took home?

Answer: Grand Prize

14. Besides the Seumas McNally honor, which IGF category did Return of the Obra Dinn also win?

Answer: Excellence in Narrative

FUNNY RETURN OF THE OBRA DINN TRIVIA

1. What kind of old-school computer look does Return of the Obra Dinn imitate, as if your monitor forgot almost all its colors on purpose?

Answer: It imitates 1-bit computer graphics.

2. Even though it looks like a haunted relic from an ancient monitor, what is true about the game's world geometry?

Answer: The game world is fully 3D.

3. Which visual trick does Obra Dinn lean on heavily, proving that tiny dots can absolutely run a whole mystery?

Answer: Dithering is a major part of its visual style.

4. Who pulled double duty by making the game and also composing its music, apparently refusing to outsource even the ominous vibes?

Answer: Lucas Pope composed the music.

5. When you investigate the ship, are you peering in from above, watching from the side, or walking around in what perspective?

Answer: It uses a first-person perspective.

6. The Obra Dinn's manifest is not exactly a one-flag party. The people aboard come from what kind of national background?

Answer: They include sailors, passengers, and officers from multiple nations.

7. Which clue type can help identify certain people aboard, making accents and origins suddenly feel very important?

Answer: Nationality is one of the clue types.

8. True or false: Return of the Obra Dinn solves its problems with a normal combat system and frequent swordfights by the player.?

Answer: False

9. Most of the cast do not introduce themselves politely. Through what are they usually known?

Answer: They are known mostly through memories of their deaths.

10. In this game, what do you usually learn about a victim before you learn who they actually are?

Answer: You usually learn their final second first.

11. What part of the visual design makes blood, uniforms, and faces annoyingly similar at first glance?

Answer: The monochrome palette.

12. What humble document gets promoted into the main puzzle board, proving paperwork can indeed become the final boss?

Answer: The crew ledger.

13. To crack some identities, what sort of tiny visual evidence might you need to notice like the world's grimmest fashion detective?

Answer: Tiny details such as shoes, hats, or job tools.

FUN RETURN OF THE OBRA DINN TRIVIA

1. On the good ship Obra Dinn, what is your big job besides looking dramatically thoughtful?

Answer: Identifying every crew member's fate.

2. A fully solved fate in Return of the Obra Dinn always pairs a person's identity with what other detail?

Answer: Their cause of death.

3. If a death wasn't just bad luck, what extra detail does the game want you to name?

Answer: Who caused it.

4. The watch doesn't show memories as moving cutscenes. Instead, each scene appears as what?

Answer: A frozen 3D tableau.

5. Right before a death scene pops into view, what brief clue plays first?

Answer: A short audio moment.

6. Once a memory opens up, are you stuck staring from one angle, or can you do something else?

Answer: You can walk around inside the frozen scene.

7. The game doesn't clap for every single correct guess. How are fates officially confirmed?

Answer: In groups of three correct deductions.

8. Which matters more in Obra Dinn: quick reflexes or careful looking?

Answer: Careful observation matters more.

9. If two sailors look annoyingly similar, what spoken detail might help separate them?

Answer: Their accents or other speech clues.

10. What fashion-forward clue is genuinely useful when sorting out who's who aboard the ship?

Answer: Uniforms and clothing.

11. In the crew quarters, what unexpectedly humble item can help narrow down identities?

Answer: Hammocks.

12. Does the story hand you events in neat time order, or make you untangle the timeline yourself?

Answer: It presents events out of chronological order.

13. The ship's mystery isn't just one giant blob of sadness. What structure organizes it?

Answer: A chapter-based structure.

RETURN OF THE OBRA DINN FAMILY TRIVIA

1. What is the investigator's job in Return of the Obra Dinn?

Answer: The investigator works as an insurance investigator.

2. Which organization sends the investigator to inspect the Obra Dinn?

Answer: The East India Company sends the investigator.
